Dear Parents/Carers

**Re: Aspen and Willow**

As part of our continuing joint working relationship with Sunny Bank School, please see below a list of events we will be joining with Sunny Bank pupils for to enjoy fun and learning.

The majority of these activities are for pupils only but where parents/carers are to be invited to join in with the activities you will receive an invitation with further details closer to the event date.

However, one activity you can start to plan for is Science week, where parents/carers are asked to help their child with a science project to enter into the Fair, which parents/carers will be invited to. For Science week the winners (several per category) have the opportunity to join other children from across the Trust in a TILT Science Fair where they will be in with a chance of winning a prize for their category.

We wish you all a restful and happy half term break.

Yours faithfully

Sam Duggan  
Class Teacher

David Powel  
Class Teacher

<b>Term 2 (30/10/23) - (15/12/23)</b>	
W/c 11/12/223	Carol concerts
