

6th Form Preparing for Adulthood Terms 3 and 4 January 2021 – March 2022

Our 6th form students have been out and about in our local community carrying out their work experience placements. This is all part of our Preparing for Adulthood programme at Meadowfield.

Each student has a bespoke placement to learn about the world of work. Our young people have learnt a variety of skills including:

- practising customer service
- meeting, and communicating with new people
- following instructions
- working in new environments
- learning about health and safety

Our students have taken this all in their stride and we are all extremely proud!

Our students have been working for the following companies and organisations.

- Faversham Sainsburys
- Faversham Umbrella Centre
- The Abbey Physic Community Garden in Faversham
- McDonalds in Sittingbourne
- Sheppey FM Radio
- Yew Tree Farm School
- Sheppey College Hairdressing Department
- Our Meadowfield community; School kitchen, Classrooms, Site Team and PE Team.

We would like to thank all our employers for showing such dedication to our students and for the very positive feedback they have provided for their hard work and determination.

Below is a selection of our pupils during their placements:

Sainsburys

Meadowfield Kitchen

DJ at Sheppey 92.2FM

Abbey Physic Community Garden

Yew Tree Farm School

If you would like to read more about our student's work experience journeys, please see our Official Meadowfield Facebook page for more information.
