Dear Parents/Carers

**Re: Car Park - Transport**

As you may be aware from the news and social media, KCC have introduced new transport arrangements for many pupils who travel by home to school transport.

Like some parents, we have only just been advised which pupils are on which transport. Therefore, our car park procedures both morning and afternoon may take longer and we ask for your patience and co-operation during this transition period. Pupil and staff wellbeing and safety are our priority and our staff will collect and deliver pupils as quickly as possible but we do anticipate some disruption and delays for the first few days.

We are aware that some parents may still not have heard from KCC and although we cannot assist with sorting your transport as the contracts are between KCC and parent/carers and the school is only a facilitator, we can see if your child is on the list we have been sent.

KCC transport can be contacted directly, tel.03000 416777.

Once again thank you for your support.

Yours faithfully

Dan Zaccheo
