Dear Parents/Carers

Re: Creepy Claws, Face/Hand Painting & Hair Braiding

A letter will be coming out shortly about Meadowbury, our annual festival. Ahead of this letter I wanted to let you know that as part of our Meadowbury fun we have invited a company into school who will bring a selection of creepy crawlies!

Although the company has all the appropriate risk assessments in place, we are required to seek your permission for your child to handle any of the animals. These may include spiders, snakes, lizards to name a few, all of which could nip, although every precaution will be taken by the animal handlers and Meadowfield staff.

The company coming into school and the animals they bring are very experienced with children as they visit numerous schools and events, if you consent to your child being allowed to handle any of the animals, under strict supervision, please complete the slip below. Without a signed permission slip your child will only be able to watch the display and will not be able to enjoy the interaction and 'hands-on' sensory feel of the animals.

We are hoping to have face and hand painting and hair braiding and again your permission is required on the permission slip below.

If you wish to discuss anything contained in the letter above, please contact the school office.

Warmest wishes.

Yours faithfully

Angela Howe
Acting Principal
