5 January 2024

Dear Parent/Carer

Explore Department Workshop

We will be holding an Explore Department Workshop on Monday 5th February from 10.00am – 11.30am.

At Meadowfield, our Explore Department use a wide range of strategies to help support our pupils in their learning. The workshop will be focussed around behavioural difficulties and potential strategies which can be used to help support your child.

This workshop will be a great opportunity for you to gain information on why your child may be presenting with certain behaviours and what you can do to support this.

Unfortunately, as space is limited places for this workshop will be allocated on a first come basis and limited to 2 adults per child. In the event that requests to attend this workshop significantly exceed places available we will try to run a second workshop to meet demand.

Due to the learning nature of the workshop and space, we are unable to accommodate siblings at this event

Please may we remind you that mobile phones cannot be used in school, if there is a reason that you need your mobile, please speak with the class teacher.

Please complete the online booking form below should you wish to attend the workshop

Yours faithfully

Peter Masaryk
