Hannah A – Badgers

Hannah and mum made hop the hoop to play out of paper plates, toilet roll tube and wrapping paper. They had fun playing it, but still couldn't get the hoop over the pole, they are still trying!!

Hannah and her mum are going to make a lock down scrap book next week, they have been planting seeds, doing cooking - Hannah made cupcakes last week - cooking skills coming on very well.

They have also made a lock down jar and put day trip ideas into the jar so when we are all free they can pick one every weekend and have an adventure to go on!

Hannah A – Badgers

Hannah thinks it’s like one big holiday at the moment she’s not bored yet been doing school work and making things and picnics in the garden and playing in her water outside.

She’s happy today we made colourful rice to play with blue and a red one with vinegar and food colour then you dry it in the sun after a hour it’s dry does not stain and Hannah’s playing with itn she loves it
