Principal

28th June 2022

Dear Parents/Carers

Re: Metal Water Bottles

Further to a health and safety review, please be aware that metal water bottles are no longer permitted in school for pupils and staff in classrooms with immediate effect.

We appreciate, that pupils and staff should be keeping hydrated by drinking water and we therefore request that you send in any drinks, wherever possible in a reusable plastic bottle rather than single use bottles but we understand that this is not always achievable.

We apologise for any inconvenience that this change of policy may cause but thank you for your co-operation and support.

Warmest wishes.

Yours faithfully

Dan Zaccheo
Principal
