

12<sup>th</sup> July 2023

Dear Parents/Carers,

**Re: New Minibus/Coach**

We are delighted to announce that we will shortly be the beneficiary of a new Coach from Synecore and Variety, the Children's Charity.

Since 2017, Synecore have hosted the Synecore Charity Golf Day and all monies raised from the event goes to Variety Golf to aid the purchase of a Sunshine Coach. Synecore is a national mechanical and electrical contractor for the hospitality industry, and have a great network of customers and suppliers who support the charity day. Synecore's only request was that the coach be allocated to a school local to their home town of Sittingbourne.

The new Sunshine Coach will replace an old school minibus and will be used on a daily basis to transport pupils to a number of activities, including parks, outdoor education centres, sporting activities and residential breaks. This minibus will continue to allow us to have easy access to all events that make significant differences to the education experience for our pupils.

This donation has been made possible by Synecore Charity Golf Day and Variety, for which Meadowfield are very grateful.

The presentation ceremony of the coach will take place on Friday 21<sup>st</sup> July, please click on the following link for further information and help to support this event by sharing this with your friends and families.
