

7<sup>th</sup> June 2023

Dear parents and carers

### **School Games GOLD Award**

I would like to inform you of the good news that Meadowfield School has achieved for a second year running the School Games GOLD award.

The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition and physical activity across the school and wider community.

The YST has recognised our school's engagement (provision and uptake) in the School Games against a national benchmark and to celebrate keeping young people active.

Participating in this scheme allows us to evaluate our PE provision and develop an action plan for future progress to provide even more opportunities for our children.

The award is a great privilege to receive. A huge congratulations must go to the amazing pupils at Meadowfield for being so committed to being healthy, active and dedicated to their physical development.

Yours faithfully

The PE Team
