Dear Parents/Carers

RE: Term 1 PE

I hope you have had a restful summer. I am pleased to inform you that your child will be able to enjoy regular sports clubs, exercise and PE this term. Providing the children with the opportunity to be positively active and healthy we intend to launch boogie beats, pop-dance and regular soft play for the children at the school.

The Health and Wellbeing Suite is moving forward, thank you to your support last term. The exciting news is the school will have a project inspection on the 13th September from the Wooden Spoon charity. We hope to receive substantial sponsorship to help us reach the finish line and have the facility ready for the children. Our goal continues and we hope to empower children to reach their own physical goals and give them the tools to be healthy for life.

Below is the PE timetable. Can all children attend their PE sessions in suitable clothing for the lesson, please also provide a water bottle every day and during all PE sessions. Ideally PE kit should include: shorts, trainers, blue or white polo shirt. Earrings will need to be removed and please ensure that your child has their hair tied back during practical PE.

To gain the most out of our lessons, please ensure your child is in PE kit for their class allocated PE day. Thank you for your continued support.

Yours faithfully,

The PE Team
(Ian, Conor and Deanna)
