Look at the resource below, which shares some children's opinions about the news and how they access it.

Benjamin

I am not interested in the news at all and I don't like hearing about it. I don't really understand it and I think it is boring.

Zenghi

I enjoy watching Newsround and hearing about what is going on. I especially like hearing about what is happening in other countries.

I sometimes like finding out what is happening in the news but sometimes I don't understand it and it can be confusing. I prefer to hear about it when chatting to my dad. He explains it and I can ask questions.

Beatris

I like to read about what is happening in the news by myself. I often look at the Picture News Paper and find some of the stories funny and interesting.

Yasmin

Do you think everybody likes to hear about it in the same way?
