Dear Parent/Carer

Re: Daisies Class – Teeth

As part of our PSHE (Personal, Social and Health Education) topic all about healthy living and good hygiene, we are planning to start practising our teeth brushing skills.

As part of the Colgate Bright Smiles, Bright Futures scheme we have been donated children's toothbrushes, toothpaste we be using is Colgate Fresh Gel. However, if you wish your child to use a different brand, please supply an unopened toothpaste clearly labelled with your child's name.

I plan to start practising our teeth brushing skills from week commencing 5th June 2023.

Each set of toothbrushes and toothpaste will be stored separately and hygienically and clearly labelled with each child's name.

I have attached a permission slip for your child to take part in this learning and I would be grateful if you could sign and return.

If you have any concerns or questions, please do not hesitate to contact me.

Yours faithfully
