

5<sup>th</sup> July 2-023

Miss Jill M. Palmer BSc, MA, MA, NPQH  
Executive Principal

Dear Parents/Carers

## Re: School Reports

As you are aware, school reports will be issued in the next week or so, together with new class letters, and this year we have been piloting a new system called Evidence for Learning (EfL) with some of our classes spread across all the departments. Therefore, there will be a mix of reports issued as some classes will receive a traditional style report created using Report Box and those classes that are part of the pilot scheme will receive their Annual Reports for this academic year via a Learning Journal visible on the Evidence for Learning Family App. The table below shows which report style your child will receive.

Report Box (traditional report)	EfL (new online system)
Apollo	Aspen
Atlantis	Bluebells
Badgers	Butterflies
Buttercups	Daisies
Caterpillars	Diamonds
Endeavour	Discovery
Enterprise	Ducklings
Hawking	Emeralds
Jays	Fawns
Kingfishers	Foxes
Pankhurst	Glennie
Poppies	Hedgehogs
Sunflowers	Kahlo
Swallows	Kestrels
Woodpeckers	Ladybirds
Wrens	Nightingale
	Parks
	Peacocks
	Robins
	Sapphires
	Snowdrops
	Spielberg
	Tadpoles
	Turing
	Willow

Evidence for Learning (EfL) is used throughout school as an assessment tool, and to showcase evidence of the learning that students undertake; with staff in school capturing photo and video evidence, providing comments and feedback for the learning and linking this to a range of curriculum frameworks. We have also been trialling using the system to record meaningful evidence documenting progress towards individual EHCP outcomes.

Continued./...

In addition, the Evidence for Learning Family App has recently launched to work alongside and allow adults at home the opportunity to view this evidence and to gain a greater awareness of the learning taking place in school and their child's progress and achievements; enhancing the communication between home and school.

My goal in the next academic year will be for all families to have access to the Evidence for Learning Family App and be able to see these updates in real time. Information regarding accessing the app and log-on credentials for the applicable classes in the table below will be sent shortly.

In the autumn term, further information will be sent regarding EfL and the curriculum to be taught in each department.

Kind regards.

Yours faithfully
