Dear Parents/Carers

The school photographer will be in school on Tuesday, 22nd June, Wednesday 23rd June and Friday 24th June at the Swanstree site and Monday 27th June at Ufton Lane.

You will see from the table below the day for your child's photograph and any pupils who are off school on their designated day, we will try and include them on another day.

This year although we cannot guarantee there will be time, we will try and hold a sibling session on Monday 27th June in the afternoon. Unfortunately, we can only accommodate siblings based at the Swanstree site due to transportation between sites. If you would like a sibling photograph, please complete and return the slip below; without a completed slip we will not organise a sibling photograph. Sibling photographs are time dependant.

The plan is for school photographs, weather permitting will be taken outside in a relaxed style, which we believe will be more conducive to getting beautiful and fun photographs of the pupils.
