Dear Parents/Carers

Re: Pupil Photographs

The school photographer will be in school on Friday 9th June, Tuesday 13th June, Monday 19th June and Tuesday 20th June at the Swanstree site and Friday 23rd June at Ufton Lane and Sunny Bank satellite classes.

You will see from the class table below the day for your child's photograph and any pupils who are off school on their designated day, we will try and include them on another day. I am sorry but we are unable to offer sibling photographs this year.

The plan is for school photographs, weather permitting, to be taken outside in a relaxed style, which we believe will be more conducive to getting beautiful and fun photographs of the pupils.
