11th February 2021

Dear Parents and Carers

Unfortunately, I am writing to explain that we will again be closed on Friday 12th February. Although the Site Team have made Herculean efforts to clear the snow and to grit the school site, the ice continues to be dangerous and is likely to remain throughout tomorrow due to freezing temperatures.

The additional consideration is, of course, reduced staffing and limited flexibility in the deployment of staff due to Covid-19.

It is my hope that things will improve after the half term break and until then, please keep warm, safe and please email the school office should you require any assistance. We will continue to monitor the office emails throughout the break and will offer our support wherever possible. office@meadowfield.kent.sch.uk

Please note that the pupil attendance rotas currently in place will remain unchanged during the first week of the new term.

Best wishes.

Yours faithfully

Jill Palmer
Principal
